## POWERING THE NATION

Dear Friends,

2016 has been a year of intense socio-economic development both within India and globally.

Whilst businesses are responding to these changes, at the same time, accelerated development and breakthrough technologies are constantly shaping our lives.

Our brand promise, "Powering the Nation" aptly sums up what we stand for the value we deliver to our customers. Our customer and are people will always be the core of our business strategy. So to deliver quality and trust we continue to focus on Ethical Governance, Customer Responsiveness, Operational Excellence and Training.

With a vision to embrace the world, we are happy to announce our new projects with Indian Navy,

Metros, NTPC - solar projects, major utilities such as BESTECH, TATA Power, BSES, Reliance PVVNL (Paschimanchal Vidyut Vitran Nigam Ltd) etc. and also fulfilling many more new and repeat export orders.

We are honoured to receive an appreciation and special award from Valvoline for "Highest Percentage Growth" of Oil business and the "Outstanding Performance Award 2016" from Schneider Electric at

the "Energy Partner Meet" held at Goa.

We at Sudhir are not only involved in Powering People's Lives but are also supportive of many sporting events. Recently, we had our annual "Sudhir Classic Golf Tournament" it was a memorable round of golf played at the Jaypee Greens resorts, Noida on 16 th Oct, 2016. The tournament was huge success and the presence of luminaries from the world of politics, bureaucracy, judiciary, sports, government officials and industry CEO's that made the day enjoyable.

We are humbled by our past and passionate about our future. As we embark into a new year, we become even more committed to our objectives of customer experience, risk management, growth and scale. I look forward to continuing this story of our combined success and I also take this opportunity to wish you and your families a prosperous and healthy 2017.

**Mr. Sudhir Seth**  
Chairman & Managing Director

## SOLAR PROJECT AT HINDUSTAN SOLAR & ORANGE RENEWABLE

ABB, a leading global technology company with comprehensive solar solutions portfolio has once again chose Sudhir for inverter transformer for the solar project of M/s Hindustan EPC Mansa and M/s ACME, Hindupur to optimize the performance, reliability and

return on investment of any solar installation.

L&T India, leading solar EPC company has placed order for 100 MW inverter transformer of Sudhir for their Orange Renewable project at Maharashtra.

MV drives division of ABB regularly uses Sudhir transformers along with their motor drives to offer complete solutions to their customers. Sudhir has recently supplied 8nos. 1120 KVA and 4500 KVA for their **Turkey** projects, 2 nos.1500 KVA and 5nos. 1850 KVA to Boldrichi for their projects in **Japan**.

Sudhir bagged the order from APCO Infratech to supply its complete range of products and solutions to BRO (Border Road Organization) for their various projects worth Rs. 10 crores. BRO is a symbol of National building and National integration and has become an inescapable component in maintaining the security and integrity of the Nation while constructing and maintaining operational road infrastructure.

### DLF 35 MW Power house, Chennai

DLF has established a large commercial centre in Chennai and Sudhir-Cummins bagged the business for a complete turnkey power house valuing Rs. 37 crores of 2000 KVA multiple gensets involving supply, cabling, exhaust piping, earthing and cooling towers etc.

## Supply of transformers to KPCL

Over 500 MW of Sudhir Solar Transformers that are feeding power to Indian grid in various states. Manufacturing in the state-of-the-art facility in India at Bangalore & Silvassa (Near Mumbai). More than just a technology, it's a concept of safety, reliability and conformity with the principles of environment protection. We have supplied 5\*1250 KVA, 0.415/11 KV BHEL EDN, Bangalore for Karnataka Power Corporation Limited project at Mandya Karnataka, 5\*1250KVA, 0.415/33KV at IOCL Rawra.

## NTPC 50MW solar project through TATA Solar

Sudhir successfully commissioned an order of 50 MW solar projects of NTPC, Anantpur, Andhra Pradesh through TATA Power Solar, one of the country's largest integrated solar companies. This project commissioned using domestically manufactured solar cells and modules. The TATA solar plant is expected to generate nearly 160 million kWh of energy per year and help offset approximately 110,000 tonnes of carbon dioxide emissions in its first year of operation.

## Cast Resin Transformer for Rourkela & Bokaro Steel Plant From L&T

Sudhir strives to be continually at the forefront of technological advances in the captive power industry and provide the best possible solutions to their clients. In a recent achievement, Sudhir Power has bagged an order worth Rs. 12 crore from a leading corporate entity Larsen & Turbo, Kolkata for its Rourkela steel plant – Hot strip mill project. Sudhir also supplied for BOKARO Steel Plant – BOF project 10\*2MVA, 6.6/0.433KV Cast Resin Transformers and for BOKARO Caster project 10\*2MVA, 6.6/0.433KV & 1 No. 11/0.433KV Cast Resin Transformer.

### 11 KV Substation at Bestech Residential Project

Bestech Group, brings a new face in housing projects Grand & Signature at Sector 81, Gurgaon with

beautifully designed 2BHK & 3BHK cozy apartments equipped with all the modern amenities. Sudhir bagged an order for 11KV substation for power distribution ensuring reliable power.

### 33 KV Substation at HVPNL

Sudhir commissioned 3 EHV substation orders by Haryana Vidyut Prasaran Nigam Limited (HVPNL) namely-

- 132/133 KV substation at Urlana, Panipat
- 66/11KV substation at Sector-20, Panchkula and 66/11KV substation at Laha on turnkey basis including civil works.

This is a major breakthrough from EPC department from SPPL in transmission business.

## INDIAN NAVY FLOATING DOCK

Sudhir – Cummins has once again bagged the prestigious order of 4 nos. of 950 KW and 1 no. of 150 KW for Floating Dock Navy worth Rs. 10 crore, which is built by L&T shipbuilders for Indian Navy. The Ministry of Defense gave an order for design

and construction of a floating dock of the Indian Navy to Larsen & Turbo (L&T) which will be capable of docking naval ships and submarines of up to 8000T displacement with draughts up to 7 m, during day and night.

## SUDHIR FOUNDATION

This year County Inn & Suites by Carlson, Sector-29, Gurgaon as a part of Sudhir Foundation sponsored a drawing competition for under privileged children and AIDS infected children by tying up with various NGO who have initiated this noble cause by giving these children a platform to explore their future options. A memorable moment for all kids was mass tri-color balloon release, which added a smile to their innocent faces. Swachh Bharat initiative also taken by team near barren land of Hotel premises.

In preview of our responsibility towards society, with great vigour and enthusiasm, Sudhir Foundation in association with Cummins Dealer Business Unit has been involved in conducting “Coach Them Young” activities to educate school children. Last year this project has touched over 7,50,000 school students all across the country and was awarded the “Environment Challenging Award”.
